

Summer Red Sangria

2 bottles bold red wine - Cabernet, Merlot, Malbec

* Don't buy the cheapest wine or it will not taste as good, \$7 - \$10 is a nice bottle for Sangria)

8oz Brandy

6oz Fruit Liqueur (Raspberry, Pomegranate, Blueberry)

12oz Pineapple Juice (2 little cans)

8oz Orange Juice (or a OJ combo with Mango or Peach)

24oz 7-up (2 cans) sometimes I will do half 7-up half soda water)

2 limes - squeezed into Sangria

Optional: Oranges, Apples, Grapes - cut up and put into Sangria

They can sit overnight in Sangria and make yummy garnishes

Mix all ingredients in a large pitcher or pot. Sangria will last a couple of days in the fridge. I like a strong Sangria if you don't like it as strong add more juice and soda water / 7-up.
